Crisis Team Information

Crisis Team – School Based

The function of the school based Crisis Team is to assist students who are experiencing social-emotional difficulties that might interfere with their safety or safety of others, and thus their ability to succeed in school. The Crisis Team members work collaboratively with the student, family and school staff, to properly assess and recommend, implement or refer to appropriate services.

The school based Crisis Team is comprised of the following individuals:

- Administrator
- School Based Social Worker
- School Counselor
- Nurse
- Teacher
- Child Study Team (CST) Member

The parent and the student are a part of the Crisis Team as it pertains to the student impacted. As needed, District level staff, such as District School Psychologist, Substance Abuse Coordinator (SAC), can offer guidance and support to the school based crisis team, as well as direct involvement if warranted.

Intervention and Referral Services Information

What is the Intervention and Referral Services (I&RS) Team?

The I&RS Team is a school-based, problem-solving group that assists teachers by collaborating with them to design and implement strategies for students who are having learning, behavior and/or health difficulties.

Who can serve on the I&RS Team?

The I&RS Team in your child's school will be represented by school staff who have different abilities and experience so that the best strategies can be developed to help your child.

The following people may be members of the I&RS Team:

1. The principal, vice principal or his/her designee.
2. A general education teacher or general education staff member.
3. The teacher who needs assistance with the student.
4. Any person deemed necessary to assist the team.
5. The parent shall be asked to participate.

What will the I&RS Team do to help?

The members of the I&RS Team will gather all the information available on your child and will meet to discuss his/her areas of strengths and difficulties and will then develop and implement an Action Plan to address the identified learning behavior and/or health difficulties.

What is an Action Plan?

The Action Plan includes interventions or suggestions that are considered to be helpful to the student and teacher. It is a thoughtful, planned approach to enhance your child's functioning in school.

What is the Parent's Role?

You will be notified in writing that your child will be discussed by the I&RS Team. The I&RS Team will invite you to participate and may request that you provide valuable information to help your child in school.
